One of the original homes in Mountain Meadows, this house exemplifies style and integrity. This contemporary stone and wood sided house has sweeping views of the Beaverdam Valley, North Asheville and the mountains surrounding WNC. Soaring ceilings with electric windows allow the mountain breezes to blow through this home while the light pours in. Very well maintained so come enjoy doing the cosmetic updates. Added amenities include: workshop, gym, sauna, covered patio, landscaped trail, water feature with two ponds, wine cellar, multiple decks and fireplaces. This is what everyone comes to Asheville to have!
